

Client Testimonial

My name is Ellen Rowland and Victoria Eden has been my insurance agent since 2003. I first contacted her because of a pamphlet she sent to me. She made insurance, which had been impossible for me to understand, not exactly easy; but understandable. We reviewed my husband's life insurance policies. We decided to keep one that had been bought by his mother when he was very young, and trade all the others for new and better insurance. Victoria was able to provide us with much more insurance at a slightly higher premium.

Recently, my husband and I decided that we needed more level term insurance. I called Victoria even though she had moved out of state. I knew she would be strait and honest with me. Conducting business with her long distance was painless and very easy. She found a policy to suit our short term needs. I am very happy to say the actual premium is lower that she had quoted!

Needless to say, I am very happy and satisfied with the service Victoria provides. I would highly recommend her for any of your insurance needs. I have found that in dealing with Victoria over the past several years, you are not just a client to be sold a policy and then never contacted again. Victoria keeps in touch with you! Not in an intrusive way, but as a friend via her monthly newsletter. The newsletter is informative, amusing at times, and lets you know that Victoria is just a phone call away.

Sincerely,

Ellen Rowland, Anaheim, California

I give permission for Victoria Eden to copy or quote this in her promotion and marketing.
